INSTRUCTIONS FOR *Stationery*

GENERAL INFORMATION:

In order to avoid errors & delays, please put the following information on all orders: your Account Name, Account Number, Address, Phone & Fax, your Purchase Order Number, our Item Number, Quantity, Typestyle, Ink Color, Printing Method & additional information such as Envelope Lining Style, Position of type, Motif or Drop Ship address. We strongly recommend using our order forms.

- Please PRINT or TYPE all of your copy, and UNDERLINE all letters to be capitalized.
- We are NOT responsible for any errors if your order is not written clearly.
- Your copy must be written out completely on your order. We will ONLY print the wording that you write on your order. Any wording shown on our sample pages will not automatically appear on your order unless you write it on your order.
- If no Typestyle choice is indicated on your order, we will use the typestyle shown on the sample of the item you have chosen.
- If no Motif choice is indicated on your order, we will print your order without a Motif.
- If no Ink Color choice is indicated on your order, we will use the ink color shown on the sample of the item you have chosen.
- If no Position choice is indicated on your order, we will position your copy as shown on the sample of the item you have chosen. If no Motif position is indicated on your order, we will position the Motif at our discretion.
- Unless you indicate otherwise on your order, we will include envelopes where available.
- Envelope Linings will not be included with your order unless requested by style number.
- We only accept orders by fax, e-mail or snail mail, not over the telephone.

DELIVERY and TURNAROUND TIME:

We try our best to complete orders within 2 working days; hand-lined envelopes may add one more day to the turnaround time. Cut-off time for orders is 10:30 a.m., Pacific Time; orders received after that time begin processing on the next business day. Please indicate any special shipping instructions on your order form. If you need your order by a certain date, please indicate this clearly on your order form. We will make every effort to meet your deadline.

Our standard shipping method is via Ground Service (UPS or Fedex). Ground service typically takes 2-6 working days to arrive. P.O. boxes, APO/FPO addresses and rural routes are sent via US Priority Mail. Unless you request otherwise. AK, HI, PR are sent via UPS or Fedex air, and Canada is sent via Ground Service. Europe, Asia, etc. are sent via Fedex or UPS International Economy, unless you request otherwise.

We can DROP SHIP an order to a location other than the store for an additional charge of \$6.

PACKAGING:

All Stationery Book items – cards & letter sheets – come in an attractive, re-usable gift box.

ITEM NUMBER means PAPER COLOR, SIZE & SHAPE:

Our item numbers refer to the paper color, size, shape, card & envelope pairing, and pre-printed design/border of each particular stationery set. If what you want is not shown in the album, our Customer Service department will be happy to provide you with a quote on a custom order.

PRINTING METHOD – FLAT PRINT, THERMOGRAPHY OR LETTERPRESS:

You may choose Flat Print or Thermography (raised printing). If no choice is indicated on your order, we will print in Flat Print (unless your item is “Letterpress Only” as indicated on the page). See page ii under “Printing Processes” for the page number of items using Thermography. Our Thermography is not laser-printer safe. THERMOGRAPHY is available upon request for a charge of \$30 above the cost of your order.

When a paper color is too dark, we have indicated next to the item that Thermography is not recommended. On certain items, because ink colors vary on different paper colors, we have listed more limited choices of Flat Print ink colors from which you may choose. If you wish to ignore our ink color and printing method recommendations, you do so at your own risk!

Letterpress may only be chosen as a printing method on certain papers shown throughout the book. See page ii under “Printing Processes” for the items where Letterpress is available. If you choose Letterpress or Thermography, the ink color will often appear darker than Flat Print.

QUANTITY:

Most items come in increments of 25. Utility Envelopes come in increments of 100. Please order only in even increments, as indicated, for each particular item.

TYPESTYLES:

Please see pages iv-xiii for typestyle choices. Typestyles are interchangeable on any item in the Stationery Book at no additional charge. If no Typestyle choice is indicated on your order, we will use the typestyle shown on the sample of the item you have chosen. Please choose a typestyle for your cards/sheets & a typestyle for your envelopes. If no typestyle for envelopes is indicated, we will print in a corresponding typestyle, at our discretion.

Typestyles are sized as shown on the Typestyle pages; we use 2 standard sizes of type – “Name Size” and “Address Size.” We will choose from these 2 standard sizes unless you indicate otherwise on your order. Please specify “Name Size” or “Address Size” for each line of type on your order, or we will choose the size of each line at our discretion. Initials and Monograms have only one standard size of type. When necessary, we will reduce the size of your type to fit your copy. If you are especially concerned with type sizing, or have a lot of copy, you should request a PROOF.

Please note that some typestyles come in small caps and large caps only, or all caps, as indicated on the Typestyle pages. These typestyles have no “lowercase” *per se*.

On page xi, you may choose from our Special Type Treatments, called Combos, which show pre-designed typestyle combinations. Type sizing for Combos is only as shown on page xi; typestyles for Combos may not be changed. Under each Combo choice on page xi, we have listed a preferred typestyle for your return address; you may, of course, choose any typestyle on pages iv-x. If you wish to make any changes to a Combo, other than personalization, ask us about custom design & typesetting.

POSITION OF COPY:

Unless otherwise indicated on your order, we will position all copy as shown on the sample of the item you’ve chosen. Please indicate clearly the position of copy (e.g., center, flush right, flush left) & format of sheet or card (horizontal or vertical) desired.

MOTIFS:

Please see pages xiv-xvi for motif choices. Motifs are interchangeable on any item at no additional charge. Motifs are available only in the sizes shown on the Motif pages (except for Motif 900 which will be sized to fit the width of your paper – see examples on 22, 69, 75, 77 & 106). Please specify the position of the motif on your order, or we will choose a position at our discretion.

INK COLORS:

You may select from any of the 29 ink colors shown throughout this album at no additional charge (see page iii for a listing). The same ink color will be used to print on all pieces of your order (sheets/cards and envelopes). If no ink color choice is indicated on your order, we will use the ink color shown on the sample of the item you’ve chosen. Please note: ink colors look different on different color papers and with different printing methods – see “Printing Method” above for additional information.

If you request a special ink color, such as a Pantone color or to match a fabric swatch, a charge of \$80 for a CUSTOM INK MATCH will apply.

EXTRA TYPESETTING – ADDITIONAL LINES:

You are allowed up to 6 different lines of copy on any sheet or card, positioned as you like, at no additional charge. If you request more than 6 lines, your order will incur an EXTRA TYPESETTING charge of \$40. This flat rate charge will apply for 7 lines of copy & above.

ENVELOPES:

Be sure to indicate whether you want to include plain or printed envelopes with your order.

Envelopes for Calling Cards & Gift Cards are only available plain. Unless you indicate otherwise, we will include plain envelopes with your order where available.

With the exception of Utility Envelopes, return addresses on envelopes are automatically printed on the flaps. If you would like the return address to be printed on the front left of an envelope instead, an additional charge of \$10 for a POSITION CHANGE will apply.

EXTRA ENVELOPES are available: Blank are \$10 per 25, Flat Printed/Thermography are \$18 per 25, and Letterpress are \$26 per 25.

Due to US Postal Regulations, Calling Card envelopes are too small to be mailed.

ENVELOPE LININGS:

All of the envelopes shown in this album may be hand-lined with any of the Linings shown on pages xvii-xix. Lined envelopes will not come with your order unless you request them. The additional charge for envelope linings depends on the lining you choose – please see the Price Pages. Hand-lined envelopes may add one more day to our 2-day turnaround time.

PLAIN SECOND SHEETS:

Plain second sheets are available for Letter Sheets only. Please see the “Plain Second Sheets” column of Price Page i & look for the price code of the item you are ordering. Increments of 25 only.

PROOFS:

Upon request, black and white proofs will be provided via fax or via email for a charge of \$20 for the first proof, \$10 for each subsequent proof.

SECOND INK COLOR:

We will gladly print your order in two or more colors. The SPECIAL PRINTING CHARGE will apply. The charge for each additional color in Flat Print or Thermography is \$55 per additional color (“hairline” or exact registration will require a custom quote). For Letterpress printing, the charge is \$80 per additional color. Please note that the SPECIAL PRINTING CHARGE will apply to each piece ordered and that cards and envelopes are considered as two separate pieces.

PRINTING ON BOTH SIDES OF AN ITEM:

We will gladly print on both sides of any item (either front & back, or inside & outside as on an Informal Note). The SPECIAL PRINTING CHARGE of \$55 will apply. Please note that an item cannot be printed on front & back when using Letterpress printing.

BORDERS:

All borders on cards & sheets are pre-printed in the colors and patterns shown on each sample; they cannot be changed in any way. If it is not shown in the album, our Customer Service department can provide you with a quote on a custom order.

CUSTOMER SUPPLIED ARTWORK:

We will print from customer supplied artwork which is clear, clean, crisp, and black on white paper (“camera-ready art”). We can also accept high-quality digital files. For details, go to the “Forms” section of our website, www.chatsworthcollection.com, and download the document called “Customer Supplied Art Specifications & Guidelines.”

We cannot accept photocopies of artwork or artwork sent via fax. We will reduce or enlarge your artwork accordingly. Please allow a little extra turnaround time with artwork. We may require a PROOF when you use artwork. The minimum charge for ARTWORK is \$40. We will contact you if the charge will exceed the minimum,.

If we provide a quote over the phone before receiving your artwork and/or your order, we reserve the right to change the quote upon review of your submitted artwork. Remember that the quality of the art you supply determines the quality of the final product!

INQUIRIES, CHANGES AND CANCELLATIONS

When making inquiries into the status of an order, we require your purchase order number; the item number and ink color ordered are also very helpful to our Customer Service Representatives. **Please speak to a CSR before faxing any changes or cancellations.** If you make changes to, or cancel, an order that is in production, you will be charged for all work that was completed prior to your changes or cancellation (including typesetting, proofs, etc.)
